

GAU/641
#5
MW
ZAP-1 CIP CON CIP

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants : Y. Shoenfeld and P. Fishman
Serial No. : 09/405,050
Filed : September 27, 1999
For : IMMUNOTHERAPEUTIC METHOD OF TREATING
CANCEROUS DISEASES BY ADMINISTRATION
OF GAMMA GLOBULINS
Examiner : Not Yet Assigned
Group Art Unit : 1641

New York, New York
February 4, 2000

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

TRANSMITTAL LETTER FOR
INFORMATION DISCLOSURE STATEMENT

Sir:

Transmitted herewith is an Information Disclosure Statement in the
above-identified application. This Statement is submitted:

- ☐ within three months of the application filing date;
- ☒ more than three months from the application filing date but
before the mailing date of the first Office Action on the merits.

FEB 14 2000
TECH CENTER 1600/2900

In accordance with 37 C.F.R. § 1.98, submission of this Statement requires no fee. However, if for any reason a fee is due, the Commissioner is hereby authorized to charge payment of any fees required in connection with this Information Disclosure Statement to Deposit Account No. 06-1075. A duplicate copy of this letter is transmitted herewith.

Respectfully submitted,

S. Craig Rochester (Reg. No. 43,052)
Agent for Applicants

Each of the listed documents was either cited by or submitted to the Examiner in United States Application Serial No. 08/340,094, now United States patent 5,562,902, of which United States Application Serial No. 08/487,803, now United States patent 5,965,130, was a continuation, of which the instant application is a continuation-in-part. Therefore, pursuant to 37 C.F.R. § 1.98(d), copies of the documents are not being provided herewith. Should the Examiner require copies of any of the above-listed documents, applicants stand ready to supply them.

It is respectfully requested that these documents be (1) fully considered by the Examiner; (2) listed on a "Notice of References Cited" in this application; and (3) printed on any patent which may issue from this application.

Respectfully submitted,
